*Sunsational summer beach activities!

So you've now got yourself a killer pair of silky-smooth legs? Well what better to do than show them off! Try some of these leg-exposing beach suggestions.

* Nothing shows off and exercises legs better than beach games. Frisbee, soccer or volleyball, what you do doesn't really matter, as long as you have a blast with your mates.

* Beach walks are another fave. Whether a head-clearing solo stroll or a gossip-fest with your best buddie, you can parade your pegs and exercise at the same time.

* It might not be active, but no beach trip is complete without sun-time. And with your soft, smooth legs, your boyfriend won't just want to put the sunscreen on your back!

* Just take time out, hoist a hammock, stretch out your legs and tune out to the world with a great read or your own greatest hits.
